DEFENDANT DRIL-QUIP, INC.'S MOTION TO TRANSFER

Defendant Dril-Quip, Inc., moves the Court under 28 U.S.C. § 1404(a) for an order transferring this patent infringement action to the U.S. District Court for the Southern District of Texas. Venue is properly lodged in Delaware. However, for the reasons set forth in the accompanying brief, venue is also proper and more appropriately lodged in the Southern District of Texas. The relevant *Jumara* factors weigh strongly in favor of a transfer to the Southern of District of Texas as the more logical venue for the convenience of the parties and witnesses and in the interest of judicial economy. On this basis, under the facts of the case and in view of relevant legal precedent, the transfer is substantially justified, and Dril-Quip respectfully requests the Court to grant this Motion.
